WORD FROM THE DIRECTORS

David DOLLEY

M. Ed., B.A., B. Ed. St., Dip. App. Ling., Dip. Ed., Dip. Voc. Ed., Dip. Training, Cert IV TAE

Thanks for the opportunity to help with your big ADVENTURE!

I was working in a sales job when I saw the film 'Dead Poets' Society', with Robin Williams. It really brought home how you can change your life through study. I was inspired. Between the directors, we've studied, worked and taught in international education for over 70 years. We decided to start a college that isn't like any other college.

Nanae DOLLEY

I came to Australia on a Working Holiday visa back in the '80s. I enjoyed the experience 'Down Under' and when I got back home I got a great job in an Australian bank. After several years I decided to give my career a boost, and I knew Australia has a great environment for study, so I decided to come back! I was an international student so I know how our students feel, and what international students need. That's why we say, **"Your Success is Our Success!"**

Denise PAYNE

I have worked in International Education for over 35 years, and I am **passionate about ensuring that students enjoy their study** and find their courses worthwhile and helpful.

I was the Executive Officer of Study Gold Coast for 10 years, and my role was to promote the Gold Coast as an excellent study destination and help students and colleges to work together.

My other business, Study Match is one of the largest Study Tour and Homestay operations in Queensland. I have a Bachelor of Business and Diploma of VET so I can help our students.

Academique is a unique college for international students on the Gold Coast and in Brisbane. Come and talk to us about how we can help you gain the most from your study in Queensland.
