REFUND POLICY

ACADEMIQUE has, in line with government requirements, a fair, reasonable and equitable refund policy guaranteeing refund of students' fees where applicable.

- All course fees are refunded in full if a visa application is rejected or evidenced compassionate or compelling circumstances arise. A refund will be granted only upon receipt of proof of this rejection/ evidence.
- Refunds are not available to students who simply change their plans.
- If a refund is requested 28 days prior to course commencement, a full refund of the course fees paid at enrolment will be refunded within 7 days unless it is the Christmas/New Year period where we are closed for up to 4 weeks. It will be paid as soon as reasonable upon reopening.
- If a refund is requested between 14 - 27 days prior to course commencement, a refund of the total course fee paid less \$200 for administration costs will be refunded within 7 days unless it is the Christmas/New Year period where we are closed for up to 4 weeks. It will be paid as soon as reasonable upon reopening.
- If a refund is requested between 1 - 13 days prior to course commencement, there is no refund of any course fees paid.
- Once training has commenced in the enrolled course, no refund is available to students who leave before finalising the course. The student remains liable for any units commenced where the monthly fees have not covered all costs. Payment by the student for outstanding fees must be made in full in Australian currency within 7 days of the student notifying the college of their intention to leave the course. Please note: DIBP must be notified in writing when the college is notified of your intention to leave. Please report to your closest DIBP office immediately.
- Should ACADEMIQUE cancel a course prior to commencement, participants are entitled to a full refund as per the ESOS Act 2000 and ESOS Regulation 2001.
- All approved refunds will be paid within 7 days of receipt of the written application.
- The dispute resolution processes do not circumscribe the student's right to pursue other legal remedies.
- This agreement does not remove the right to take further action under Australian Consumer Protection Laws.
- ACADEMIQUE will pay the refund amount to the person who enters into the contract with ACADEMIQUE, unless that person gives a written direction to ACADEMIQUE to pay the refund to someone else. This applies whether an education agent is involved or not.
- ACADEMIQUE will pay the refund amount in Australian dollars. Any additional currency exchanges will be at the cost of the student.
- To claim a refund, please ask Administration in regards to the refund processing procedure.
- Please ensure you refer to the Easy Guide to the ESOS framework - http://www.aei.gov.au/AEI/ESOS/EasyGuide_ESOS.htm
- In the unlikely event the college is unable to deliver your course in full after you have commenced you may be offered enrolment in an alternative course at no extra cost to you. If we are unable to provide you with an alternative course the Federal Government TPS will place you in a suitable alternative course. This college has been operating in various forms since the 1970's and registered since 1981. This event has not occurred during over 30 years of operation. (From handbook)

TRANSFERRING FROM ONE COLLEGE TO ANOTHER COLLEGE BEFORE FINISHING YOUR COURSE

Registered colleges are restricted from enrolling transferring students prior to the student completing 6 months of his or her principle course of study except in certain circumstances. These circumstances include but are not limited to:

- The original registered college has provided a letter of release
- The original college has had a sanction imposed on its registration by the Australian Government or State Government that prevents the student from continuing his or her principal course
- Any Government sponsor of the student considers the change to be in the student's best interest and has provided written support for that change

The registered college must grant a letter of release only where the student has:

- Provided a Letter of Offer from another registered college confirming a valid enrolment offer has been made and include details on the new course including course code, commencement and conclusion date.
- Current course fees for any units commenced are paid whether the unit is successfully completed or not.
- Current course fees are paid up to date.
- The Letter of Release is issued for no charge.
- If the registered college does not issue a Letter of Release, we must provide you the student with a letter outlining why we have refused your request. We will inform you of your right to appeal our decision in accordance with standard 8 of the National Code for International Students.

THE COLLEGE RESERVES THE RIGHT NOT TO RELEASE STUDENTS UNTIL THEY COMPLETE 6 MONTHS OF THEIR PRINCIPAL COURSE UNLESS EVIDENCED COMPELLING CIRCUMSTANCES APPLY.
